PLSC King/Queen of the River Race

Addendum A

This is a point to point race on the Tamaki River. The race will begin between the green jetty off Waipuna Road East and an orange buoy attached to a mooring, then up the Tamaki River to Curlew Bay and the lateral navigation marks, which shall be used as a gate, back to a laid orange buoy on the east side of Curlew Bay off Sea Side Park then back to the lateral navigation marks then returning to the start/finish line between the green jetty off Waipuna Road East and the orange buoy attached to the mooring. Please take care at the start as the tidal current can be strong and if you are over during the start procedure, you might not be able to return to the pre-start side.

Dangers to Note:

This is a narrow navigation area with restricted movement for large vessels so give them room to safely navigate.

Collision avoidance rules apply at all times.

Keep clear of moored boats.

The rowing club uses this area so keep clear of all rowing skiffs, dragon boats, wakas & their coach boats

Be aware of unusual and at times severe wind currents around man-made structures e.g. bridges, buildings.

Keep well clear of pylon structures supporting road above.
